EASIER.

Ushered in by the joyful peals of bells and the singing of hymns of praise in every hamlet in Christian lands the world over, Easter day, the festival of the awakening, of youth and flowers and the giving, was celebrated elaborately in Alexandria yesterday. Even more cherished by the Christian Church than the glad message of Christmas, celebrating as it does the day of resurrection, Easter has ever been the most joyous feast in the calendar of the church and the occasion of special rejoicing. Easter lilies and other flowers of bright blossoms and of every shape and hue greeted worshippers in the city churches and from the choirs and through the edifices rolled the melodious strains of songs and anthems. After a week of such bright days as spring rarely vouchsafes so early in her reign Easter day broke clear and bright and throughout was balmy and springlike. The churches were all largely attended and the musical programmes previously published were rendered in a manner that reflected much credit upon the several choirs and were enjoyed by the hearers. The Easter day services were most impressive and the sermons borne upon the resurrection and the great truths it taught. The pulpits were filled according to Saturday's announcement.

Children's services were held in the Episcopal churches and were all well attended. They were of an especially interesting character.

Throughout the day and well into the night many people were on the streets enjoying the fine weather, while others enjoyed walks or drives into the country.

The Easter display of spring suits, hats, bonnets, etc., was very attractive, the new styles being considered unusually pretty this year.

DEMOCRATIC COMMITTEE.

The democratic committee of the Eight Congressional District has been called to meet Saturday, April 2nd, at Alexandria, in the office of Gardiner L. Boyce, esq., at three o'clock in the afternoon. The committee will meet for the purpose of naming a nominee for the holding of a primary to designate a successor to the Hon. O. O. Carlin, to determine the amount to be assessed against each candidate, to set a day prior to which all those desiring to become candidates will have to notify the chairman of the committee. Heretofore, the cost of conducting the primary has been in the neighborhood of \$150,000. In the event that Mr. Carlin has no opposition of course there will be no primary. At a future meeting he would be formally declared the nominee by the committee.

BECKLESS MOTORCYCLISTS.

The warning given by the Police Court recently seems to be little heeded by some persons who have not as yet been made to face that tribunal. A number of men operating these modern contrivances for transportation still run their machines in the streets of this city at an unlawful and dangerous speed. There is another law which seems to be more honored in its breach than in its observance. All persons running bicycles on sidewalks are subject to a fine of five dollars. Violators of this law seem to be more numerous than ever.

WEDDINGS.

Mr. John O. Swan and Miss Lydia K. Whittington, both of Washington, were married by Rev. W. F. Watson, pastor of the First Baptist Church, at the parsonage yesterday morning. Mr. John Penn and Miss Kate W. McKenney, daughter of Mr. Noble McKenney, both of Alexandria, were married yesterday afternoon by the same minister at the parsonage of the church.

POLICE COURT.

[Justice H. B. Oates presiding].
The following cases were disposed of this morning:

Louisa Toms, colored, charged with stealing shoes from Jos. Heyman, forfeited her collateral by failing to appear.

Rose Johnson and John Courtney, both colored, charged with disorderly conduct, were fined \$5 each.

BANK EXAMINER.

Charles O. Barksdale, of South Boston, has been appointed State Bank Examiner, with a salary of \$3,000 a year, and Charles E. Hunter, of Staunton, assistant examiner, with a salary of \$2,000. They will begin their terms of office July 1.

Gov. Mann has appointed as follows on the Virginia State board of accountancy: Joseph Robbins, South Boston; J. A. O. Chandler and W. McK. Evans, Richmond; W. P. Hilton, Norfolk; George A. Mason, Lynchburg.

THE FISHING SEASON.

Although no fish have been at Fish-town this season, the catch is gradually improving. Shad are now being caught in the river almost opposite Alexandria. A number were killed off Jones's Point yesterday. Prices are considerably lower, the finest shad selling this morning at 75 cents and buck at from 20 to 40 cents. Herring are 25 cents a dozen.

THE CITY HALL STEEPLE.

Frank Leslie, who is to complete the work on the City Hall steeple, has arrived in this city. As soon as the remaining repairs shall have been finished the hands and dials on the clock will be made uniform, or to compare with those on the Camera street side.

CONFIRMATION.

Bishop R. A. Gibson, of the Episcopal Diocese of Virginia, held an official visit to St. Paul's Church last night and presented and confirmed a class of 21.

The bishop's discourse was both able and instructive and was enjoyed by the large congregation present.

"They come high." "The best are the cheapest." "Our people want them and we say to the ladies you can see J. & T. Conklin's Exclusive Styles at 422 King Street, J. A. Marshall & Bro.

CHILDREN'S CELEBRATIONS.

Easter Day is one of special enjoyment for the children and yesterday the Sunday schools of many of the churches held their annual spring celebrations. Glad carols were sung, inspiring music was rendered and the children vied with each other in making their Easter offerings for the poor, for missionary work or some other worthy object. The celebrations were all largely attended and proved enjoyable to all present.

The celebration of Grace Church Sunday school was held at 9:30 o'clock in the morning. The children assembled in the Sunday school room and proceeded in a body to the main auditorium where the exercises were held. These consisted in the singing of the carols, hymns and the presentation of prizes, &c. The church had been prettily decorated for the occasion and the exercises were interesting throughout. The children's Easter contribution for missionary work amounted to \$78.81. Miss Stella Moore, was the organist; Messrs. O. Padgett, Herbert Hall and Max Simpson played violins. A medal for bringing new scholars was given to Rosie Hicks. The teachers gave presents to many of their scholars.

St. Paul's Church held its celebration at 4:30 o'clock in the evening. The teachers with the children assembled in the Parish Hall and marched in a body to the church where the exercises were held. An interesting address was made by Rev. Paul Micon. The music was especially fine and was greatly enjoyed. In the chancel there had been prepared by Mr. U. S. Lamber, superintendent of the Sunday school, a beautiful ivy leaf banner composed of over 1,500 separate pieces, across which in white flowers appeared the inscription "Christ Is Risen." At the base of it was a beautiful cross also made of ivy leaves. The singing of the carols by the children was inspiring and the exercises throughout were most enjoyable. The children's Easter offering amounted to \$127.

Christ Church Sunday school celebration was held at 4:30 o'clock in the evening. The children assembled in the Parish Hall and with their class banners marched in procession to the church. The chancel was beautifully decorated with Easter lilies and jonquills which were distributed among the children after the exercises. An appropriate address was made by Rev. W. J. Morton and many prizes were awarded. The music was excellent and the carols were most inspiringly sung. The Easter offering by the children amounted to \$83.51.

The children of the Sunday school of the Good Shepherd Chapel on south Fairfax street held a very interesting celebration at 3:30 o'clock. The services were under the charge of Messrs. Phillips and Penick, students of the Theological Seminary. The hymns and carols were well sung and each of the children was presented with a growing flower at the close of the exercises.

A PROTEST.

As was stated in the Gazette, a few days ago the letter box at the northwest corner of Wilkes and Fairfax streets was knocked down on Thursday night by boys and later damaged. It is understood that the postoffice authorities are considering the advisability of removing the box from the corner, inasmuch as it is likely to be overturned at any time by the same element. It is hoped that the authorities will do so such thing. It is a commentary on our city when an acknowledgment is made that mail boxes cannot be protected on the public streets. A house on the opposite corner has been partially wrecked in recent years and the sidewalk torn up and another house a square and a half west is being gradually ruined and the sidewalk obliterated.

VESTRYMEN.

The following gentlemen were today elected vestrymen of St. Paul's Church: Messrs. John W. Green, J. Wallace Hoff, John R. Zimmerman, R. F. Knox, Herbert Bryant, E. L. Delinger, J. O. Milburn, J. K. M. Norton, Wm. B. Smoot, Julian T. Burke, Laurence Stabler and Dr. G. T. Kilpatrick. The following were elected vestrymen at Christ Church: Messrs. A. Smoot, H. F. Robertson, Dr. D. N. Rust, Hubert Snowden, Dr. L. M. Blackford, O. O. Leadbetter, J. B. Boothe, Geo. S. French, O. H. Yobe, E. S. Leadbetter, H. R. Burke and W. D. Wood. Election of the vestrymen of Grace Church will take place after the service tonight.

THE FIREMEN.

A meeting of the joint committees of the different fire companies will be held this evening at 8 o'clock in the Columbia engine house. These committees were appointed some time ago to make arrangements for the entertaining of the delegates who attend the Firemen's Convention to be held in this city in August. President J. B. N. Carlin, of the Virginia Firemen's Association, has called this meeting for tonight, and requests all to attend as business of importance will be transacted.

THE CAMERON CLUB.

Tomorrow, Tuesday night, March 29, at Christ Church Parish Hall at 8 o'clock, Dean Crawford will deliver an illustrated lecture on The Creation and Modern Science. Many Alexandrians have expressed themselves as desirous of hearing this particular lecturer and the members of the Cameron Club are very glad to be able to give others this pleasure.

MASK BALL.

A mask ball will be given by the members of the Reliance Steam Fire Engine Company, No. 5, in Odd Fellows' Hall, on north Columbus street, Wednesday evening, March 30, at 8 o'clock. A large number of tickets have been disposed of and a large crowd is expected. Several handsome prizes will be given to the best costume per group. Music will be furnished by Prof. Pitt's orchestra. Refreshments will be served. The funds will be used for entertaining the visiting firemen who attend the convention which meets in this city in August.

The Alexandria Lodge of Elks will give a dance tonight at McBurney's Hall.

THE TEACHER'S TRIP TO MOUNT VERNON.

The Teachers' Conference, as stated in Saturday's Gazette, adjourned with a trip to Mt. Vernon entered him by our business men. This trip was one of the most enjoyable features of the occasion. Messrs. A. D. Brockatt, Robert S. Jones and Worth Halshaw accompanied the party and did everything, as they well know now, to make the visit to the home of the father of our country a most enjoyable one for all.

Superintendent Dodge and Assistant Superintendent Young of the grounds of Mount Vernon took personal charge of the party and explained in detail everything to the visitors, very few of whom had visited the place so much historic interest to every American and particularly interesting to those engaged in the teaching profession.

The visitors returned to Alexandria about 4:30 o'clock. All left for their homes laden in their praise of the courtesy and hospitality shown them by our citizens and teachers.

It was the unanimous opinion of all that this was one of the most successful meetings ever held by the Teachers' Association of the Eighth Congressional district.

ACCIDENTALLY SHOT.

Late last Saturday night Mr. William Arrington, upon returning to his home in the extreme northeastern section of the city, found his wife, Mrs. Frances Arrington, lying on the floor unconscious and suffering from a bullet wound in her left side. Dr. Wilkins was summoned and the latter upon his arrival had her removed to the Alexandria Hospital. An examination was made and it was found that the bullet had passed between the fourth and fifth ribs downward through the lungs, barely escaping the heart, and lodged in the back and in the right of the spine. The ball was removed this morning by Drs. Wilkins and Moore, at which time Mrs. Arrington's condition was critical, although she was resting comfortably. The wound was accidentally inflicted as Mrs. Arrington was in the act of placing the pistol in her bosom when it was discharged.
